RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 100 pages. OCLC Number: 52722110 Excerpt: . . . 4 mates that some 75 million Americans have been without health insurance at some point during the past 2 years. Health insurance matters. The simple fact is that people with health insurance are healthier than those without. People without health insurance are less likely to seek care when they need it and tend to forego services, such as periodic check-ups and preventive services. As a consequence, they are more likely to be hospitalized or require costly medical attention for conditions that could have been prevented or treated successfully at an early, curable stage. Not only does this put the health of those individuals at greater risk, but it also puts additional pressures on our hospitals and emergency rooms, many of which are already financially stressed. Maine, like many States, is in the midst of a health insurance crisis, with premiums rising at alarming rates. Whether I am talking to a self-employed fisherman, a displaced worker, the owner of a struggling small business, or the human resources manager of a large corporation, the soaring cost of health insurance is a...
