Cengage Learning PTR. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Get ready to master the unknown number! Master Math: Solving Word Problems is a comprehensive reference guide that explains and clarifies the difficulties people often face with word problems, in a simple, easy-to-follow style and format. Beginning with the most basic types of word problems and progressing through to the more advanced, Solving Word Problems shows you how to focus first on the words in the problem, and then on the numbers, breaking down the problem into smaller segments to help you work through. Using familiar situations from everyday life such as percents and discounts, interest, motion and speed, and probability, each type of word problem is taught using step-by-step procedures, solutions, and examples. And end-of-chapter problems will help you practice what you learned. A complete table of contents and a comprehensive index enable you to quickly find specific topics, and the approachable style and format facilitate an understanding of what can be intimidating and tricky skills. Perfect for both students who need some extra help or rusty professionals who want to brush up, Solving Word Problems will help you master everything from simple equations and percents to statistics and probability! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
