BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. Dimensions: 9.7in. x 7.4in. x 0.1in.GAO reviewed the Department of Defenses (DOD) and the military services fiscal year (FY) 1996 operation and maintenance (O and M) budget requests, focusing on potential reductions in the amounts requested for the O and M accounts. GAO found that the services and DODs FY 1996 O and M budget requests could be reduced by a total of about 4. 9 billion including reductions in funding levels for activities such as: depot maintenance, the Armys operating tempo, civilian personnel requirements, unobligated balances from prior years O and M appropriations, Air Force real property maintenance, the services bulk fuel requirements, appropriated fund support for commissaries, travel processing costs, O and M funds to compensate for Defense Business Operating Fund losses, Junior Reserve Officers Training Corps Program, Army and Navy spare and repair part inventories, National Guard youth programs, flying hour programs, military-to-military contacts program, facilities at Honduras Soto Cano Air Force base, U. S. Forces Command class I, II, and III environmental compliance projects, recruiting funds, the Air Forces operational support aircraft inventory, DODs support of Olympic security activities, DODs Legacy Resource Management Program, the Armys deactivation of seven ships in its fleet of prepositioned ships after it takes delivery of five Large Medium Speed Roll-inRoll-off ships, the Civil Air Patrol, and Air Forces pilot training requirements. Also, GAO noted that, because the funding for the Partnership for Peace program is divided between DOD and the Department of State, no one Committee has complete program oversight to ensure that program efforts are effective and not duplicative. This item ships from La Vergne,TN. Paperback.
