She plans to infiltrate the world of wealthy and influential people in hopes of drumming up financial support for a world-class conservatory. But before she can put those plans into action, she meets Reese King, a handsome gardener at Como Park--and a major distraction. Still, Reese might be the key to achieving her dream. But is his goal to help her . . . or to capture her heart? Against a lush backdrop of early twentieth century Saint Paul, Minnesota, Lorna Seilstad weaves a sweet and sassy story that is sure to please. Tessa's young romance opens like a rose, stealing readers hearts and filling their senses with the intoxicating fragrance of dreams come true.
