Motte Alston, 1821-1909. This lively memoir offers a candid look into the daily life of a Low Country South Carolina family, as well as commentary and opinion about such matters as rice cultivation, slavery, and the sporting life. J. Motte Alston s memoirs, originally numbering more than five hundred pages, were never intended for official publication. Alston wrote for his grandson, who was fascinated by his family s personal history and how it fit into the larger context of South Carolina and the southern region. For the Alstons, family was more than a domestic affair. It was also a powerful economic consortium. The buying or selling of land and the building or leasing of houses; the management of each detail of the rice crop; the decision to marry, to have children, or to summer in the mountains--all were more than private or economic decisions. Alston included such details to help his grandson navigate the often tense waters of...
