Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.After his fifteenth birthday, Blythe Midwinter finds himself in a bit of a pickle. It s high time for him to be a productive member of his family, taking up work he detests in order for his older sister, Molly, to follow her dreams of success as a talented baker. Though the three orphaned Midwinter siblings -- Molly, Bertie, and Blythe -- are lucky enough to work, they still earn only enough to keep themselves clothed and fed. Blythe desperately wishes for more, and it doesn t help that his best and only friend, Jack Wicket, refuses hard, honest work in favor of good luck as the only means for quick success and instant riches. Blythe s dreams of a better life get more desperate when he attracts the attention of another boy, the youngest son of a rebellious old artist, whose family rises well above Blythe s in wealth and station. Embarrassment and shame muddle Blythe s perceptions of luck, work, and the promise of love -- that is, until Jack Wicket s foolish decision to exchange his beloved cow for a handful of magic beans forces Blythe to look past castles in the clouds and understand what it is that truly measures a man s worth.
