Not illustrated. 1814 Excerpt: .collection from various foreign books of the same nature, rather than a translation from any particular one. It is upon the whole inferior to Berthelet s collection, but fortunately less exceptionable upon the score of decency; there are two or three laughable stories which have very much an air of originality; the principal source of amusement, however, is the naivete with which they are related. Many of the stories might be traced to their sources; the second in particular may be mentioned as existing in the Decameron of Boccaccio, in which it is the seventh novel of the seventh day. We have also recently found it in a curious MS. treatise-on the Art of speaking French, written in the reign of Henry the Sixth, which shows the early Ici comence nn tretis de douls francis qu enformera aussi ban les petiz comme les granz a parler...
