Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Propaganda for Reform in Proprietary Medicines To the Council on Pharmacy and Chemistry*: - Your subcommittee to whom Anasarcin (Anasarcin Chemical Co., Winchester, Tenn.) was assigned, herewith submits its report: This remedy is offered in two forms: Anasarcin Tablets, a pretended combination of the active principles of oxydendron arboreum, sambucus canadensis, and urguea scilla; and Anasarcin Elixir, said to contain the active principles of oxydendron, sambucus, hepatica and potassium nitrate. The advertisements of these articles conflict with the rules of the Council as follows: With Rules 1 and 2: The composition of these articles is kept secret, in that the proportion of the ingredients is not furnished. The statement that it contains the active principles is misleading, since these are for the most part unknown. With Rule 0: The description of the pharmacologic action of Anasarcin agrees practically with that of squill. No material part of its effects can be attributed to the other ingredients. Nevertheless, the advertisement studiously cultivates the impression that Anasarcin has no relation whatever to the digitalis group in which scilla is commonly placed. The claims are therefore misleading. The claim of its infinite superiority to digitalis, the claims that it cures neurasthenia, eliminates uric acid in rheumatism, and is useful in obesity, cystitis, lumbago and eclampsia, dyspepsia and asthma, and that it works wonders in exophthalmic goiter, appear exaggerated or false. The recommendation of its indiscriminate use in nephritis, for lowering the blood pressure and the statement (contradicted in the firm s own literature) that it is not depressing are actually dangerous. It is recommended that the articles be refused recognition, and that the report, with explanations, be published....
