For fans of Paranormal, Urban Fantasy, and Superheroes, this is a must buy! It was hate at first sight. She broke chairs on his head, and in return, he broke her bones. When Marco joined the New York Sky Ghosts Headquarters, he expected trouble. What he didn't expect was a girl half his size that turned his life into hell. They spilled too much of each other's blood for any hope for reconciliation. How did they end up risking their lives for each other on a daily basis? Sky Ghosts: Marco is the second book in the Sky Ghosts series, a young adult urban fantasy adventure for the fans of sword fighting, martial arts, and supernatural powers. If you liked Sky Ghosts: All for One, this short story is a must-read before the next part of the trilogy.

I laughed a lot while reading Marco. The silly teenage nature of him and Pain combined with their stubborn natures and violent streaks made for some suitably hilarious and cringe worthy scenes.

- Belart Wright, author of the Average Joe series

An action and prank filled page-turning short story!

- Levi Walls.
