GB Publishing.org. Paperback. Book Condition: New. Paperback. 188 pages. Dimensions: 7.9in. x 5.2in. x 0.6in. A dark mystery novel, a surreal journey where only the unseen know the truth, a truth that Joe didn't know he needed to find until his world was turned inside out. As he uncovers the disturbing connections between his own murky past and those who hunt him, he has no choice but to follow the leads to a dire conclusion. Published in 2013, Christopher Ritchie's debut novel *House of Pigs* has gained international recognition, as one of only 12 international finalists in the ForeWord Reviews 2013 Book of the Year Awards (BOTYA), Horror Category. The author is a writer and musician based near London. Just as Denis Wheatley, Stephen King and Clive Barker successfully unnerve me, so does Christopher Ritchie, a debut writer on the illusory paranormal scene, with his opening chapters of *House of Pigs* revealing dire, dream-like, eerily dividing zones. Concern grows for his central character Joe, cop turned fugitive, as he desperately tries to grasp what's happening to him in a surreal, ever-changing world. Worth the read for horror, mystery, fantasy fans. Definitely. Brenda Marsh, writer/editor. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
