

Conquered Into Liberty: Two Centuries of Battles Along the Great Warpath that Ma

Filesize: 5.48 MB

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Elenor Koch PhD)

CONQUERED INTO LIBERTY: TWO CENTURIES OF BATTLES ALONG THE GREAT WARPATH THAT MA

Free Press. 1 Paperback(s), 2011. soft. Book Condition: New. The real conflict that consolidated the United States, suggests Eliot Cohen, was the struggle between five groups—the British, French, Americans, Canadians, and Indians—who fought over the corridor running from Albany to Montreal, known to Native Americans as the "Great Warpath." Cohen explores how a distinctly American approach to war developed along these 200 miles, and reintroduces historical figures we thought we knew: an admirable Benedict Arnold, a traitorous Ethan Allen, and a devious George Washington. "A brilliant history of our least-known wars on our most-ignored frontier—our northern border with Canada." *LA Times* 405.
