PROLOGUE I couldnt see what was meant to be. My experience was rooted in the present it was not open to a future fantastic experience that could be mine. I was just like a blind man touching an elephant. I could only feel the part I was touching. Years after the events recorded in this book were well past and gone, I was now in a wonderful position and was having a great life. I now lived in another country; I had a great wife, a good job, owned a nice house, travelled regularly on nice vacations and had a fantastic lifestyle. However, I get ahead of myself . However, deep within our subconscious our emotions were festering, ready to explode our marriage into pieces. Eventually, the day came when the explosion occurred and our marriage was destroyed. Ultimately, this book is also about hope. I survived and eventually was able to excel through this ordeal. Believe me, the human spirit can endure - however I had to decide that I would tough it out. My divorce experience...
