Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Field Manual FM 4-30 Ordnance Operations April 2014, provides fundamental guidance for the employment of United States Army ordnance maintenance operations, munitions operations and explosive ordnance disposal operations in support of unified land operations and warfighting functions. Unified land operations are how the Army seizes, retains, and exploits the initiative to gain and maintain a position or relative advantage in sustained land operations through simultaneous offensive, defensive, and stability operations in order to prevent or deter conflict, prevail in war, and create the conditions for favorable conflict resolution (ADRP 3-0). The principal audience for FM 4-30 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as a joint task force (JTF) or a multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations as well as joint or multinational forces. Trainers and educators throughout the Army will also use this publication. The purpose of the ordnance corps is to support the development, production, acquisition and sustainment of equipment- including weapons systems and munitions...
