Balzar+Bray, 2015. Paper back. Book Condition: New. First. 304pp. As Ken Blanchard, John Carlos, and Alan Randolph clearly demonstrated in their previous bestseller, Empowerment Takes More Than a Minute, empowerment is a process that requires ongoing effort, awareness and commitment to transforming the hierarchy. This essential guide offers managers detailed, hands-on answers to their real-life questions about how, exactly, they can navigate the journey to empowerment. Written in an easily accessible Q&A format, the book closely examines and expands on the three keys to empowerment originally presented in Empowerment Takes More Than a Minute-sharing information, creating autonomy through boundaries, and replacing the hierarchy with teams.
