Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Pebbles in the Brazos, having been plucked from an earthy respite and casually tossed into the languidly flowing confluence, marked their passage with gentle ripples upon the tranquil mercurial surface before gliding solemnly to a soft silt bed for time uncounted where life washed over and beyond. During the turgid march of time eternal, coarsely pocked surfaces, cragged corners and edges were gently refined. From the reborn stones, inner rainbow colors now shimmer outward, deftly chiseled from rocky tombs, awaiting chance discovery. Here is your chance to discover the refined pebbles spilling forth from the waters of my mind, in all their colorful glory, spread out before you in this amalgam of my three previously published volumes. Enjoy some rare sparkling gems and learn the mysteries contained in many more as you sift through the aggregate. Now, put on your waders and jump in! \*\*Warning: some material inappropriate/unsuitable for younger readers\*\*.
