Dwelling in God With Toddlers at Your Feet will provide you with practical tools to weaving God into your daily life as you sow into the life of your children. You will learn how to transform your tongue from dripping poison into the healing balm your children desperately need! This book is a step-by-step guide to assist you in becoming addicted to your intimate time alone with God. If your marriage is on the rocks and your children would rather be at school than around the screaming maniac that takes over the body of their mommy, you have found your answer! Deborah Colbert is married and lives in Tulsa, Oklahoma. She is a proud mother of four children (ages 2,4,6,8) who earned her Masters of Education in Community Counseling from the University of Oklahoma. She currently works everyday to avoid the captivity of activity and her hearts desire is to raise up a royal priesthood of children whose lives are dedicated to God. Her ultimate goal is to hear the precious words, Well done thy good and faithful servant! as she one day meets her Heavenly Father.
