White Pine Press. Paperback. Book Condition: new. BRAND NEW, There is No Finished World: Poems, Stephen Corey, In poems that are relentlessly introspective yet never trivial, Corey delves into human experience at its most potent moments and shows us that the large questions are best considered within the context of the most minute details. When, as an editor and sitting in a hospital keeping a death watch, he addresses a poet whose poem he has rejected because it doesn't rise to the emotional level of the situation, he says, "I'm sure you're thinking this private critique unfair, and you'd be right to be upset, except that you'd be wrong. This place, right here, is where we always meet: Beatrice with her chart devoid of final blessings, you and I searching for the words that nail sensation to the sky.
