- Print on Demand Neuware - Essay from the year 2015 in the subject Geography / Earth Science - Demographics, Urban Management, Planning, grade: A, , language: English, comment: excellent job, abstract: The provision of food is a going concern activity that has to remain and made a conditioned reflex action. Agriculture plays a crucial role in ensuring that citizens of a particular state have enough food that can sustain their lives. Starvation is a nutritional disorder that is mostly likely to occur if there are scarce food commodities edible goods. The supply of food and especially in the big towns is a significant challenge that many nations suffer and especially the developed states such as the United States of America. The result of inadequate food supply and especially in the urban centers contributes to food desertification. 12 pp. Englisch.
