St. Martin s Press, United States, 2004. Paperback. Book Condition: New. 165 x 102 mm. Language: English . Brand New Book. Winning the Edgar Award for A Cold Day in Paradise, Steve Hamilton introduced one of the most compelling characters in modern fiction: Alex McKnight, a gritty ex-Detroit cop who can t say no to a friend in need-no matter the cost. Now McKnight finds himself in the forests of northern Ontario, a land of savage beauty and sudden danger, where some secrets just won t stay buried.Alex McKnight isn t a man with many friends, but the few he has know they re never alone in a fix. So when Vinnie LeBlanc asks for his help in taking a trip deep into Canada in search of his missing brother, the Ojibwa Indian knows he can count on Alex. Tom LeBlanc had taken a job as hunting guide for a rough crew of Detroit businessmen. The group was due back days ago, yet there s been no sign of them, and there s mounting evidence of something odd about their disappearing act. The trackless forests of northern Ontario keep many secrets, but none more shocking than the one that Alex is about to uncover. And the more closely Alex looks for answers, the more the questions become: where are the hunters.and who is the prey?.
