For seventeen years she'd lived with the physical scars, and the knowledge that she was a latent wolf. When she meets two men who claimed she was meant to be theirs, she ran. Gray and Colt had been searching for their Fated for thousands of years. When she ran they were prepared to do anything to find her and keep her, even call on a goddess for help. Just when the trio finds happiness a demon from their past threatens to destroy them. Jaklyn refuses to allow her father to take anything else, especially her newfound love for the two men who save her past, present, and future. They will need more than just love to defeat Seamus and his tainted pack. They'll need the help of all the Ravens and a god or two in order to destroy something Cronus created. \*\* A Siren Erotic Romance.
