SIMON SCHUSTER, United States, 1999. Paperback. Book Condition: New. Reprinted from ed.. 233 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.This volume presents the full range of Reynolds Price's poetic accomplishment over the past thirty-six years. His first three collections are brought together in their entirety; and a masterful new collection, *The Unaccountable Worth of the World*, is introduced. In his preface to *The Collected Poems*, Price credits guides as various as Miss Jane Alston, a public school English teacher in North Carolina, and W. H. All will be introduced for the first time to his latest poems from the journal called *Days and Nights*. This notebook was begun in the early 1980s, shortly before Price was diagnosed with a grave illness; and the entries continue in the second of three parts of *The Unaccountable Worth of the World*, many of them contending with the death of friends - the Dying Belt, as my father called it. The...
