ARE. Soft Cover. Book Condition: New. Excellent New Book. While none of the writers who accompanied Alexander survives complete, Onesicritus is perhaps the most tantalizing of them all. He describes the voyage back from India to Babylon; in this he had played a part, second only to that of Nearchus. T. S. Brown's effort to reconstruct the work from the few existing fragments and to examine its influence on the later historians is a classic of Hellenistic historiography. 196 pages.
