

The World That Never Was: A True Story of Dreamers, Schemers, Anarchists and Secret Agents (Paperback)

By Alex Butterworth

Vintage Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 194 x 130 mm. Language: English . Brand New Book. The last years of the nineteenth century saw the birth of a new phenomenon: international terrorism. Bombings and assassinations shook the great cities of Europe and America, threatening social order. Fiendish networks of anarchist conspiritors were blamed and the public whipped into a frenzy of anxiety. The reality was rather different. These dramatic events were only the most visible part of a longer, clandestine struggle waged between the forces of revolution and reaction, in which little was as it seemed. Alex Butterworth interweaves group biography, cultural history and meticulous detective work to create a revelatory account of the age. Both intimate and panoramic, it is a story with uncanny resonances for today.
