

## Word Detectives: Learning Latin Roots Through Stories, Movements and Pictures to Expand Vocabulary (Paperback)

Filesize: 8.14 MB

### Reviews

*The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.*

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Word Detectives Volume 2 is the second of three workbooks that make Latin roots accessible to elementary students through stories, movements, and pictures. Many programs start with prefixes and suffixes. In contrast, Word Detectives begins with the meatiest part of the word. Prefixes and suffixes modify words, but the roots are the essence. These roots can form a foundation for vocabulary and spelling. Each root is introduced using a simple story. This story is then associated with a body movement that reminds students of the meaning of the root. Finally, the root is associated with a picture that reminds the student of the story, the movement, and the meaning. There are 4 roots per lesson. The lessons are designed to be short and simple. Intensive worksheets combined with a scripted instructor s guide teach students to identify familiar roots when they encounter them in words. First students study a list of words with a common root using fine discrimination to differentiate between similar words, and then students learn to infer the meaning of unfamiliar words using gross discrimination based on the clues provided by the roots, prefixes, and suffixes. This book is meant to be a tool. If introduced early (between third and fifth grade), Latin roots can be highlighted in spelling, reading, and vocabulary, but it is never too late. The story-movement-image combination impacts multiple learning styles and makes high level skills attainable for younger students. Let s become word detectives. Word Detectives Worksheets Volume 2 is an optional companion workbook. It eliminates the need to make copies and keeps student work organized. Instructors may prefer to purchase one Word Detectives Volume 2 Workbook which includes the...
