WORLD SHAKING VOLUME ONE: THE END (PAPERBACK)

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.With the world at peace in the 22nd century, thanks in part to scientists on the international space station, the world government needs a place to store nuclear material that is no longer needed. Its officials buy desert lands of the Al-Bakhtari tribe with help from its young sheik's wife; doctors learn the tribe carries a genetic disease that kills early. A gifted geneticist learns something amazing when he finds a way to cure the disease: tribe members have a gene for telepathy. What do they see in Earth's future? When a devastating accident occurs that triggers cataclysmic events around the globe, small groups of survivors on the ground and in lunar stations must work together to ensure the human race survives, even if it's on a distant planet. Can they beat the overwhelming odds or will humanity be nothing but a memory? AUTHOR BIO Chicago-born Morton G. Moe Skoll served 20 years in the U.S. military before retiring in 1968. He earned an associate's degree from St. Petersburg Junior College and a bachelor's degree from the University of Southern Florida before becoming a schoolteacher. After a stroke, he helped his wife, Kimberly, raise exotic animals and plants. They share their home in Lutz, Fla., with four dogs, a cat and an African Grey parrot. Skoll is already working on a sequel to World Shaking.
