University: A Survival Guide

By Anne Coates

Need2Know. Paperback. Book Condition: new. BRAND NEW, University: A Survival Guide, Anne Coates, What shall I pack? Will I get homesick? What if I dont make friends? Leaving home and going to university is one of the most exciting challenges you can face. But there are bound to be questions, fears and worries in the back of your mind, and this books sets out to address all of these issues. Packed with practical advice from real students, this step-by-step guide will take you through the entire process: from deciding what to pack and choosing accommodation to making the most of freshers week and settling into your course. Sex, relationships, living with flat mates, keeping healthy, registering with the health clinic, reading lists, exams and money matters are just some of the many topics discussed. Current students and new graduates share their experiences, reveal where they went wrong and what would have helped at the time. Whatever your age, this guide will help you prepare for university, equipping you with all the knowledge and information needed to survive the experience of a lifetime.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
