Froebel; Theory of Education The purpose of this little book is to give to young people, who are seriously preparing themselves to become educators, a brief yet full account of Froebel s Theory of Education; his Practice, or Plans of Method, being reserved for a second part. The work from which The Student s Froebel is adapted - Die Erziehung der Menschheit - was published in the maturity of its author s powers (1826), while he was still hoping to effect an actual Reform of the teaching and training of Youth, from Infancy, up to Man and Woman-hood. Froebel is known over the world as founder of the Kindergarten rather than as exponent of a New Education, because experience showed him that a practical Reform of Education must begin at the very beginning. From the centre of Mother s love and Mother s wit, he unfolded in Theory the early training of Man; which, while doing full justice to the immediate...
